Important Coupon Information

"Based on Availability"

The Hotels & Motels listed in this guide offer savings on a "based on availability" basis. This means that coupons will be accepted until the property projects it will fill up (75%-80% occupancy) on the date(s) of your request. Once the property projects it will fill up, while rooms still may be available at the property, you will be quoted the regular rate. Discounts are not valid with advance reservations confirmed at a higher rate. All coupons expire September 30th, 2011, unless otherwise stated. Some advertisers may honor coupons beyond this date. Coupons are only redeemable at advertised locations found in the Travel Coupon Guide™. The Travel Coupon Guide™ does not endorse or rate the quality of the services listed in this guide nor imply any favorable or adverse opinions by their entry or exclusion. The Travel Coupon Guide™ is not held responsible for any perceived negative positioning, accuracy or placement of the enclosed information.

How to Best use this Guide:

Travel Coupon Guide

In order to save time and money we highly recommend that you call ahead, when possible, to verify that the hotel has a room available. Remember, these special low rates are based upon availability and are sometimes only good for specific rooms. By calling ahead you can verify if the rate or room are available.

Happy travels and thanks for using the Travel Coupon Guide!

STOP! How to Best use this Guide:

Travel
Coupon Guide

In order to save time and money we highly recommend that you call ahead, when possible, to verify that the hotel has a room available. Remember, these special low rates are based upon availability and are sometimes only good for specific rooms. By calling ahead you can verify if the rate or room are available.

Happy travels and thanks for using the Travel Coupon Guide!

Litter bugs.TM

Litter that finds its way into highway storm drains could end up polluting our lakes, rivers and beaches. We are all responsible for helping reduce the amount of litter that ends up in our water system through storm drains.

There are many ways you can help prevent this kind of pollution:

- *Never throw any trash or litter on the ground.*
- *Never throw anything out a car or truck window*
- *Always carry a litter bag in your car.*
- *Securely cover open loads on all trucks.*
- *Pick up litter in your neighborhood.*
- *Set an example for others by not littering.*

Thank you for helping keep California clean!
